The recent foul weather held off which enabled competitors to have a good day on the lovely grounds of Mr and Mrs Gough. Thank you so much to everyone who came for making it such an enjoyable day, to our judges for setting excellent tests and to Mr and Mrs Gough for allowing the club to use their land again.

The Club thanks all those, members and non-members, who helped put up tents, steward, throw dummies, gather in and process scores, feed us and generally help the day to run smoothly. The day would have been impossible to run without your help.
