

We held our 16 dog Novice Field Trial yesterday 5th November at Dunclent Farm, Kidderminster. Huge thanks to our hosts Jane and Michael Gough for their very generous hospitality. Thanks to Michael and his team of guns for their superb shooting, our judges and also to everyone who came along to help and make it such a successful day. Special thanks must also be said to our Field Trial Secretary Roger Wiggins, we are a very lucky club to have his knowledge and experience.

One of our helpers was Kerry Flamank as official picker up, and it was lovely that she was able to present the Flamank Field Trial Cup to the winner, which was awarded to:

1st Mr Lee Murphy with Kentelv Skywalker

2nd Mr Robert Fisher with Rocky Lane

3rd Mr Morton Redpath with Hassycott Whistlefish Fin who were also awarded The Warringah Trophy for Guns Choice.

Here are a few photos of the awards yesterday. Apologies for the quality of some, especially the group one taken by Tony Griffiths! He may well be a very good dog handler, but he struggled to handle my phone camera!!
