

## **Felicity Stevens**

**Many club members past and present will know Felicity or know of her. Her reputation in the dog world is well known not only locally but far and wide. Sadly, Felicity passed away on Saturday 19th February. She was in her early nineties.**

**Felicity was a committee member when the Wye Valley Retriever Club registered with the Kennel Club. Before this she was part of the informal group that ran training classes at Westhide, originally started by Mrs Kit Frazer. Kit Frazer and Felicity were firm friends due to their involvement with dogs.**

**The club will always be grateful for Felicity's help with the training classes and working tests. She was always willing to help people who were having difficulties with their puppy, novice or older dog. She also successfully took part in many Field Trials over the years.**

**Many people will find the Holbatch lines on their pedigree forms - a reminder that Felicity's Holbatch prefix was well known.**

**Felicity was a big part of Wye Valley Retriever Club and will be remembered fondly by all who knew her.**

**Her funeral will take place at Bodenham Church, Herefordshire at 12 noon on Monday 7<sup>th</sup> March.**
