Once again, congratulations to all who received awards.

Thank you to our hosts for the two events, Mr & Mrs Michael Gough and Mr & Mrs Parker for giving us the opportunity to test our dogs on their fantastic grounds.

Thank you to our judges for giving up their day and setting such enjoyable tests. Thanks also to the stewards who kept things flowing - the swan didn't beat us!

Thanks also must go to Skinners for their generous sponsorship of the two Working Tests.

Finally, thank you to everyone who helped to put on two enjoyable days of tests - those who threw dummies, those who provided lunch and a constant supply of tea & coffee, those who organised the trophies and rosettes and those who came early to set up and stayed late to pack everything away. Without the help of people generously giving up their time, events like this would not be possible.

We would encourage and welcome other members to come forward and help us run more Working Tests in 2018. So if you would like to get involved, or find out bit more about how you could help, please do get in touch.
