Conditions of Entry for Working Tests

All working tests will be conducted in accordance with the Royal Kennel Club Limited Field Trial Regulations (section J) together with these Conditions and the Rules of the Wye Valley Retriever Club. All participants should be fully conversant with the Royal Kennel Club Limited Field Trial Regulations.

1. Dogs entered at Royal Kennel Club Licensed Working Tests must be registered at The Royal Kennel Club in accordance with Royal Kennel Club Regulations for Classification and Registration B.
2. Wye Valley Retriever Club ("the Society" / "the Club") reserves the right to refuse any entry.
3. Substitution of dogs will not be permitted.
4. All dogs resident outside the UK must be issued with a Royal Kennel Club Authority to Compete number before entry to the event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
5. If entries exceed the number of permitted runners for a class, the right to compete in that class of the working test shall be decided by ballot. Preference in the ballot will be per the Royal Kennel Club Limited Field Trial Regulations (section J).
6. No dog may be entered in more than one class in a day. Handlers may enter more than one dog in each class and may enter more than one class.
7. Should circumstances so dictate the Society, in consultation with the judges, may alter arrangements as necessary.
8. Judges at a working test are prohibited from entering a dog which is recorded in their ownership or part ownership.
9. Videography and photography will only be permitted with the express permission of the Chief Steward and the host.
10. Welfare of Dogs: An exhibitor (or competitor) whose dog is entered at Royal Kennel Club licensed events should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the General Committee for disciplinary action under Royal Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any working test licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the working test.
11. Dogs in cars on hot days: Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.
12. **If a competitor, or anyone in their household, has Covid-19 related symptoms or has tested positive for Covid-19 they must not attend the event and should self-isolate in line with government advice.**
www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/
13. The Royal Kennel Club's Codes of Conduct specify the sort of behaviour expected of those who take part in competitive gundog work. Participants should never publicly impugn decisions of the Judge or Judges. Neither should they criticise the host, ground or guns.
14. All persons attending the working test must consider themselves under the control of the Judges and Chief Steward of the Club. They must be dressed appropriately and conduct themselves according to shooting field practices and traditions.
15. Any existing member whose subscription has not been paid in full by 31st March in the current season will be treated as a non-member in the draw (ie currently 31st March 2025).
16. The order of running is the order of the draw. All dogs and handlers must be present at the commencement of the working test, as announced by the Chief Steward. Those who are not present will forfeit their run.
17. Any withdrawals need to be confirmed with the Working Test Secretary via telephone or text only (emails are unreliable) as soon as it is evident that the run cannot be accepted, and must be in line with Royal Kennel Club rules.
18. An applicant, having accepted a run and subsequently withdrawing, may forfeit their entry fee unless certain conditions are met – see KC Field Trial Regulation J6f.
19. If a member enters more than one dog in a class at a working test, the dog entered in Box 1 of the Registered Name of Dog section on the working test entry form will be balloted in the first draw after which a second

draw will take place which will include any second dogs and then non-members; the results of this ballot will be added to the end of the first.

20. Only the handler whose name appears on the official entry form may handle the dog on the day.
21. Handlers running two dogs must bring a deputy handler to hold their second dog when they are in line. Handlers must not ask other competitors or club officials to hold their second dog.
22. The date of the draw will be as published in the Working Test Schedule. Any fully paid-up Club member is welcome to attend the draw by contacting the Working Test Secretary by telephone a minimum of 24 hours in advance.
23. Any dog suffering from any infectious or contagious disease must not be brought to the working test ground (as required by entry declaration). Wye Valley Retriever Club recommends that competing dogs are fully vaccinated.
24. Bitches in season must not be brought to the working test ground.
25. A cheque for the entry fee must accompany the entry form where a paper entry is submitted. A stamped addressed envelope or email address is required for the results of the draw. Cheques for those not successful in the draw will be shredded.
26. All trophies are held until the 1st March following the working test and it is the recipient's responsibility to ensure the safe return to the Working Test Secretary, at the recipient's cost. The recipient is responsible for any engraving required and must return the trophy in the condition it was received, together with the box it was supplied in. Trophies must not be taken out of the UK.
27. Once the working test is deemed to have commenced (as announced by the Chief Steward) all mobile phones must remain switched off until the end of the test.
28. Failure to return arm bands will incur a fine of £20.00.
29. The Club accepts no responsibility for injury, loss or damage to person or property however occasioned.

Please be respectful to our host and show good sportsmanship by staying to the presentation at the end of the working test, regardless of what has happened to you, to congratulate the winner and those in the awards and to thank those who have given their time to allow the test to take place.
